Why choose Nexus Primary Health?

Growing Community Sector

Community Health is one of the fastest growing sectors in the health industry.

Nexus is the “go to” organisation for primary health information and person centred services in our communities, adopting highest quality integrated person centred health services, support and advocacy.

Best Practice Australia Survey

In a survey undertaken in 2012 by independent consultants, Best Practice Australia, staff rated Nexus to have a culture of success and the highest level of commitment compared with 394 other service organisations.

Salary Packaging (generous salary packaging options)

As a not-for-profit organisation, Nexus Primary Health is able to offer its full-time and part-time staff an additional portion of their income tax free. A portion of your salary is paid to you tax free each pay as a reimbursement of your family bills instead of salary.

Common family bills include mortgage, rent, personal loans, school fees, rates and health insurance.

You may also be eligible to salary package other benefits on top of family expenses.

The pay office has full details of how the scheme works.

Information

Supervision

Regular supervision and feedback is important for the provision of safe and effective professional services to the community and the support of staff. Nexus endorses the belief that good quality structured supervision builds on the existing knowledge and skills of its staff by encouraging learning and the development of practice and wisdom through reflective practice.

Employee Assistance Program

An Employee Assistance Program (EAP) is available for all Nexus staff. An EAP is a professional and confidential work and personal related counselling service
