

# Autism Diagnostic Assessments

## Helping Children with Autism.

**Nexus Primary Health can provide multi-disciplinary Autism Diagnostic Assessments for children as part of the Helping Children with Autism Initiative. Our service is confidential and respectful of your needs, circumstances and culture**

A multi-disciplinary Autism Diagnostic Assessment provides detailed information to assist with the formal diagnosis of an autism spectrum disorder.

Each assessment is conducted by a Psychologist and Speech Pathologist, as recommended by Autism Victoria.

### **The Autism Diagnostic Assessment package includes:**

- 2 x 50 minute consultations with a Speech Pathologist
- 1 x 50 minute consultation with a Psychologist.
- Completion of standardised assessment tools.
- Comprehensive written reports provided to the referring Paediatrician/Psychiatrist.

### **Accessing this service:**

- A Paediatrician or Psychiatrist referral is required for this service. Dr Jonathan Ajzner, Nexus Bulk Billing Paediatrician is available at the Nexus GP SuperClinic in Wallan on Wednesdays – to book call 1300 77 33 52.
- Consultations with the Psychologist and Speech Pathologist are bulk billed.

### **Bulk Billing**

- A \$250 report fee – for assessment tools and reports - will be billed at the initial appointment.
