The GLBTI Community Group is an opportunity for GLBTI people along with their friends and family living in a regional area to gather and connect socially.

The group provides an opportunity for members to socialise in a safe and inclusive environment including accessing knowledge and advice together and sharing experiences about a range of different topics.

Our group is confidential and respectful of your needs, circumstances and culture.

What happens at the group?

Our group meetings vary in design however are generally set up to have a topic of discussion / presentation followed by dinner and lots of laughs.

The group has the opportunity to guide 'what's on' based on what everyone is interested in including attending GLBTI events and social activities.

Dinner is provided and group members are most welcome and encouraged to help with the cooking and serving of the meal!
