

Podiatrist Grade 1 or 2

- **Permanent full-time or part time (min 0.6 FTE) position available**
- **Guaranteed hours and generous salary packaging on offer**
- **Northern Suburbs – Wallan, Broadford, Kinglake and Seymour**

Nexus Primary Health (Nexus) is a not-for-profit organisation and is committed to excellence in the delivery of holistic, accessible, community-based health services that meet quality and safety standards.

From 1 January 2026, Nexus Primary Health and Sunbury and Cobaw Community Health will merge to form a new, unified not-for-profit community health organisation called **Omnia Community Health**.

This decision follows an extensive exploration process that confirmed the merger will improve access to safe, high-quality, and sustainable health and community services across the Hume, Macedon Ranges, Mitchell, Murrindindi and Strathbogie local government areas.

The new organisation will bring together the deep community connections, shared values and specialist expertise of both entities. Services will span general practice, allied health, disability support, mental health, early childhood, family services, aged care and community wellbeing, delivered from sites in Broadford, Kinglake, Kyneton, Romsey, Seymour, Sunbury and Wallan, with additional outreach into surrounding communities.

About the opportunity

We are currently recruiting for a Podiatrist who is passionate about their work, to join our Podiatry team. The Podiatrist is also a member of the larger Adult Allied Health Team which includes a variety of allied health disciplines, who work together to provide co-ordinated, multi-disciplinary care.

The Podiatrist fulfils a diverse and flexible role in the provision of podiatry services, providing assessment, care planning and treatment to referred clients from various funding sources. The podiatrist will treat clients presenting with a range of conditions and presentations within the podiatry scope of practice. These services may be provided at a Nexus clinic or in the client's home.
